

"... and to think there was a time when we wondered if he'd ever learn to feed himself!"

Summer Slate Announced For Arts and Crafts Center

Torrance Arts and Crafts Center will get underway with American Crafts for Children next Monday, June 26.

Craft Center Director Erika Muhl will direct participants in making head-work purses, a paper-mache "Blue Ox," palm frond masks, Hawaiian leis, and other Americana projects. Sessions will be set-up so that new projects will be completed within each two week period. Morning classes will take place on Monday and Wednesday and afternoon classes will be held on Tuesday and Thursday. Each session will last two weeks and include four lessons.

PUPPET classes are scheduled for Monday and Wednesday, 1-2 p.m. and Tuesday and Thursday, 9:30-11:30 a.m.

Information on fees, age limits and other requirements may be obtained at the Center at FR 5-9142 or Torrance Recreation Dept., FA 8-5310.

ALSO STARTING the same week is the Department's "Fun Thru Music" program. Jim Davidson, director of the program, will launch weekly at different park sites. Volunteer astronauts should bring their own launching towers (music stands) if they have them and their Missile (string, brass or wood). Get a registration blank from the Recreation Department at City Hall or further information from the "Commander," Davidson at FR 1-6725.

A newcomer to the summer program this year is another musical group called The Symphonic Strings. This group under the direction of Bob Simon, will provide musical enrichment for students who wish to perform symphonic

music. The opportunity to par- young people at a mature level will be an incentive to take a more active part in the musical world. Those eligible will be high school age advanced music students.

Auditions will be held Tuesday, June 27, at Walteria Park. This program will conclude with a concert at the Bandshell Aug. 13. For further information call the Recreation Department at City Hall, FA 8-5310 or Simon at FR 9-0829.

REGISTRATION is now open for the Modern Dance group which will be under the direction of Joan McGuire and Georgeanne Cubberly. This program is for the big and little girls ages seven to 18 years. The program will emphasize dance techniques and movements. There is no fee for this class.

Golf lessons will be offered to youngsters by Frank Murin, Recreation Dept. golf instructor. Free lessons will be available to youngsters from nine through 17 years at a different park each week. The size of the classes will be limited and early registrations are advised. Adult golf instruction is also available. Registration at Torrance Recreation Department.
